

Summer Boredom Setting In? Looking to get out of the house?

Come be a Lunch Monitor at Presentation!

Our return to school is right around the corner and Presentation is in need of lunch monitors. Our lunch monitors play an important part in our student's daily life by providing the children with needed outdoor recess time. This is a paid position that requires approximately 1 hour of your time per day. We ask that all lunch monitors have the required clearances, are dependable and ready to help make this a great year for our students. You can come to school, and we will help you complete your clearances.

If interested in being a lunch monitor or would like to come in to start your clearances, please email Mrs. Welsch at mrs.welsch@presentationbvmschool.org.

Please consider becoming a lunch monitor and help keep our students safe!
Mrs. Flanigan
