## WHAT'S THE BUZZ?

Meet Mr. Cameron

Fall Fundraiser

ISchool Forms

### MEET MR. CAMERON

Hello! Richard Cameron at your service. I am new to Presentation BVM and very happy to be teaching Science to grades 5-8. I will also be welcoming 5th Grade everyday while heading up their homeroom and seeing them throughout the day's end during ELA.

A position like this at such a great place is a first, but I have been attending or working in AOP schools almost my entire life. I look forward to helping the students gain knowledge and skills that will last a lifetime. I want to preserve and build on the fantastic values Presentation BVM faithfully fosters.

I like history, CYO Sports, and technology. I hope that parents will please let me know anything else I can do to deliver all the students deserve.

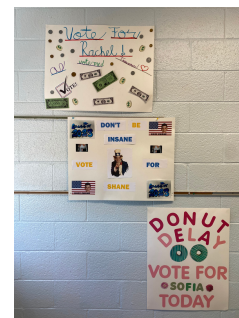

## Support Our School

Our fall fundraiser kicks off today and ends on October 11th. Fundraising packets are being sent home with the students today. Don't forget to check out the cool prizes for top participation! Thank you for supporting Presentation BVM School!

## Student Council News

The posters were seen, the speeches were heard and ballots were cast. Stay tuned to hear the student council election results.

## Back to School Forms

Thank you, parents, for completing the back to school forms on Option C. We had almost 75% of the forms completed. Any parents who have not completed the back to school forms will be contacted by the Main Office to do so immediately. Students without completed school forms will be excluded from classroom activities. If you are having trouble logging into Option C or need your Option C log in information, please contact Mrs. Welsch in the Main Office at [mrs.welsch@presbvmschool.org](mailto:mrs.welsch@presbvmschool.org) or 215-379-3798. Thank you!

## Important Dates

- **October 5th** - Parent Sacrament Meeting for 2nd & 6th grade.
- **October 6th** - School Mass 10AM
- **October 12th** - Not So Spooky Dress Down Day \$1.
